EDUCATION

University of Maryland, Robert H. Smith School of Business

College Park, MD

B.S. in Economics & Information Systems, GPA: 3.97/4.0

Expected May 2029

- Operations Management and Business Analytics Fellowship: 1 of 33 students selected for a competitive, career-focused program of workshops, collaborative projects, and presentations

EXPERIENCE

Aquila Clouds

Pleasanton, CA

Product Management Intern

May. 2026 – August 2026

- Drove top-of-funnel growth for a pre-Series A AI FinOps and BillOps SaaS platform, running personalized LinkedIn outreach to decision-makers across seven enterprise partner accounts including Veeam, Druva, and Rackspace
- Generated 4 marketing qualified leads and 12 discovery calls through outreach campaigns, Meetup events, and a CRM-style networking tracker
- Build Python automation that scales prospecting to ~40 contacts per week and cuts manual research time

Save the Children, Kumwe Hub

Kigali, Rwanda

Project Intern

June 2025 – Aug. 2025

- Managed education and entrepreneurship projects for a refugee program, including contract drafting, impact analysis, and an office renovation
- Produced a company metrics deliverable through original research that remains published on Kumwe Hub's website

Founder Institute Washington DC

Washington, DC

Project Intern

Oct. 2024 – Mar. 2025

- Sourced and qualified a pipeline of 200+ startups for DC-area founders and investors using Crunchbase, Apollo, and Excel
- Supported 2 founders through pre-seed to seed-stage fundraising with investment research and curated investor pipelines
- Launched and hosted a recurring public networking series that consistently drew 100+ attendees from the local startup community

Hayping.com

Bethesda, MD

Founder and Co-President

Mar. 2023 – Oct. 2025

- Founded and scaled a sliding-scale tutoring business to roughly \$2K in revenue and about 20 clients across local and international schools, including families in Singapore and Malaysia
- Recruited and managed 3 tutors, overseeing hiring, marketing, and finances end to end

Bethesda Scholars

Bethesda, MD

Private Tutor and Teacher

Sep. 2021 – Present

- Teach a summer Intro to Algebra II course to about 10 students per cohort, reaching about 40 students across four summers
- Provide 1-on-1 tutoring in Algebra I–II, Geometry, and Precalculus to 10+ students, including students with disabilities

LEADERSHIP & ACTIVITIES

Sigma Phi Delta, Social-Professional Fraternity

College Park, MD

Vice President of Operations

June 2026 – Present

- Lead a team of chapter members in planning events, recruiting new members, and overseeing organizational growth, while managing the chapter's budget to keep operations productive and on track
- Communicate with brothers in a clear and productive manner, fostering a friendly, respectful culture within the chapter that reinforces trust in my leadership and authority

Smith Finance Group

College Park, MD

Member

Sep. 2025 – Present

- Developed financial literacy and professional networking skills as an active member of a 200+ student club
